Composition Summary	to Profertil additional v lower amou nutrients such and zinc. Bu	Similar nutrient composition to Profertil with some additional vitamins, but lower amounts of core nutrients such as vitamin E and zinc. But high grade carnitine (Carnipure) is		Good range of nutrients especially vitamins. But incomplete profile of amino acids and low levels of key nutrients including folic acid.		Highest folate amount in the test and this is in the form of Quatrefolic, which has better bioavailability. Good amounts of some nutrients but unclear labelling of other key ingredients due to proprietary blend or IUs used.		ntrients and pure but it lete amino t and trace es. Good c acid and age on core
